EZ BLUE RACING TEAM OPMP SEEKS SUPPORT AND DONATIONS TO HELP FAMILIES IN NEED AND TO PETITION THE STATE LEGISLATURE FOR A STRONGER SEXUAL PREDATOR STATUE

May 25, 2007 - EZ Blue Racing Team OPMP, a non-profit 501c3 organization, was founded to seek financial support through the motorsport arena in order to help relieve the financial burdens faced by families who are experiencing great illness. EZ Blue Racing Team OPMP has unique platform where instead of seeking standard "sponsorships" they are seeking "donators." All proceeds are used to help with funding for families in need until financial supports are available, such as SSDI can take effect, the need for these families is immediate and they cannot wait the 30/60/90 days from now as defined by a certain financial aide divisions.

A few months ago, the team took on the initiative of helping to protect our children against sexual predators. We are working to provide knowledge and education to children, of all age groups, and their families on how to protect themselves, providing knowledge of predators and their tactics, forms of prevention, and how to report abuse through the use of dvds, workbooks and other programs.

We are also gathering support and working to encourage our governmental leaders to pass stricter legislation to protect our children against sexual predators. We are gathering petition signatures for a stronger sexual predator statue mirroring that of the recently adopted Wisconsin law "Global Position System Tracking and Residence Requirement for Certain Sex Offenders." This ground-breaking legislation is designed to prevent sexual predators from re-offending by requiring tracking by GPS bracelets, for life. Adoption of this law will be another step towards keeping our children safe.

The EZ Blue Racing Team OPMP is seeking donations - You can contribute / support these causes through individual donations or corporate sponsorships to EZ Blue Racing Team OPMP. You can help in saving our children through your contribution. Every dollar counts. Many of the educational workbooks and dvds are as little as \$10 and your contribution will help in educating one more family. Anyone interested in making a donation can go into any BB&T bank and make a donation under EZ Blue Racing Team OPMP. Additionally if you are interested in volunteering your time to help in collecting signatures, please contact EZ Blue Racing Team OPMP.
